

# COLLEYVILLE LIONS CLUB

*“Roaring to Serve Colleyville”*

P.O. BOX 536 COLLEYVILLE, TX 76034

---

Spring 2016

The Colleyville Lions Club is excited to be hosting the 19th annual **xSIGHTment 5K and Fun Run** on June 4th at the Colleyville Center. This year's event promises to be bigger and better than ever!

The mission of the Colleyville Lions Club is to provide funding and support for local organizations which serve the visually impaired. Some of the local organizations who benefit from the funds raised by the **xSIGHTment 5K and Fun Run** include:

|   |   |                         |
|---|---|-------------------------|
| Lighthouse for the Blind                            | Prevent Blindness Texas                           | Computers For the Blind |
| Leader Dogs for the Blind                           | Lions Organ and Eye Bank                          |                         |
| Texas Lions Children Camp                           | Colleyville Library (large print book collection) |                         |
| Falls Sports Extravaganza for the Visually Impaired | Texas Association For Blind Athletes              |                         |
| Lion Eyeglass Recycling Center                      | SOS   |                         |

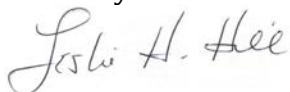

I am reaching out to ask you to partner with us as a sponsor of this fun community event. I believe the xSIGHTment run is a wonderful opportunity for you to support the work of the Colleyville Lions Club and give back to very worthy organizations that help to identify and support those with sight impairment. Sadly without the services these organizations provide, many of the visually challenged individuals in our community would not have access to the technology and assistance they need.

I would also like to invite you to join the Colleyville Lions Club. We meet every Friday morning at 6:45am at the Colleyville Center for an informal breakfast meeting centered on topics which inform, educate, inspire and entertain our members -- a great way to start the weekend! You can find out more about who we are and what we do by visiting our web site. [www.colleyvillelionsclub.com](http://www.colleyvillelionsclub.com)

Please take a look at the enclosed sponsorship information and let me know how we can work together to raise funds and support Lion sight charities. You can also donate online at [www.xsightmentrun.com](http://www.xsightmentrun.com)

I appreciate your time and consideration and more importantly your financial commitment in 2016 supporting the xSIGHTment 5K run this year. ☺

Sincerely

Leslie H. Hill  
Chair
